RE: Doggett for U.S. Congress /James Cousar, Treasurer  
MUR 5811

Dear Ms. Tran:

As I discussed with you earlier today, I would like to request an additional extension to file the Doggett for U.S. Congress Committee's response to the Commission's Reason to Believe Finding. I have just become aware of actions taken by the Commission at yesterday's meeting, and Commission documents that have become publicly available. I have downloaded the documents regarding embezzlement and internal controls published on the FEC website, but have obviously not had the opportunity to review the documents with my client. Clearly, the matters in these documents are pertinent to the Commission's arguments in its Reason to Believe Finding in this matter.

Accordingly, I request that the deadline to respond be extended until November 3, 2006, to allow the Committee adequate time to review these new documents and thoroughly respond to the Commission's findings. As I mentioned, given the current deadline of tomorrow afternoon, I would appreciate your prompt response.

I thank you once again for your professional courtesy and consideration.

Sincerely,

Mark Guerrero
